

# MCSD High School Magnet Programs

# Magnet Programs 101

- Magnet programs are available at all high schools in Muscogee County
- Magnet programs offer students opportunities in various specific areas based on each program
- Different magnet programs have different admission requirements (Information for admission requirements can be found on the magnet program's website or by contacting the magnet coordinator)
- Transportation is provided for students who are accepted into a magnet program
- Students do not have to live in the attendance zone of a magnet program to be eligible for admission to the program

# Steps to Apply for Magnet Programs

- Submit your application for the upcoming school year at <https://apps.muscogee.k12.ga.us/Magnet/>
- Make sure to apply to all magnet programs of interest
- Select a testing date if required for the magnet programs you have applied for or complete all admission requirements
- Make sure to accept or decline your acceptance to all magnet programs by February 14th

# Important Dates

- **October 30th - Magnet Applications Open**
- **November and December - Open House Events at Individual Schools**
- **January 10th - Magnet Applications Close**
- **February 7th - All applicants will receive an email regarding acceptance, waitlist, or denial for each program they applied**
- **February 14th - Students must make a decision by this date and accept one offer by 11:59 pm or all offers are rescinded**
